PARTNERSHIP PROPOSAL

Invitation

We are thrilled to invite you to partner with us for the **2nd International Rethinking Mental Health Care Conference**, taking place on **27-28 February 2025 in Colombo, Sri Lanka**. Building on the success of our first conference, held in Vilnius, Lithuania, in 2022, which brought together over **200 global participants**, second event promises to be even more impactful.

This year's theme, "**Navigating New Challenges and Innovations in the Digital Age**," aims to explore groundbreaking advancements in mental health care, with a strong emphasis on digital health solutions and innovative technologies.

Your involvement would greatly enrich our discussions and provide invaluable insights to our diverse audience of mental health professionals, people with lived experience, policymakers, and global stakeholders. This conference offers a unique platform to showcase your solutions, foster collaborations, and position your brand as a key player in transforming mental health care.

We welcome your support and partnership, and we are pleased to offer tailored sponsorship packages to meet your business objectives.

We look forward to collaborating with you to make this event a resounding success!

Chairperson of Organizing Committee

Prof. Robert van Voren
